Got it!

We are working on the social media and the posts are scheduled.

Hi Gianine.

Right, Rats, I never had the other email. FYI: When I do put in that address, it still comes up as Andy Pham.

I have been sending directly to Lorena, and Monica since mid-September, and cc'ing you (at the city email address, unfortunately) since then, too.

Concerned that the youtubes haven't been posted. I resent the original email with the links. Also, attached here are photos.

The email for Monica that I have is: monica@localitela.com I hope that's correct.

Thanks,
T.

Hi Taran,

This is my City Email. My email for DIA related items is grizzi@sanpedrobid.com. I know it can be confusing since I have 2 emails .

I have not seen any emails regarding promoting the artists. I received the line up and then revisions to the line up.
If you are sending directly to Monica and need me to follow up, please advise.

Thanks,
Gianine

Hi Gianine and Monica,

Can you please call me as soon as possible. I am very eager to get the Dia artists posted on the website. I've sent multiple emails and had no response.

Thanks,
Taran
